

MEI

📅 24.08

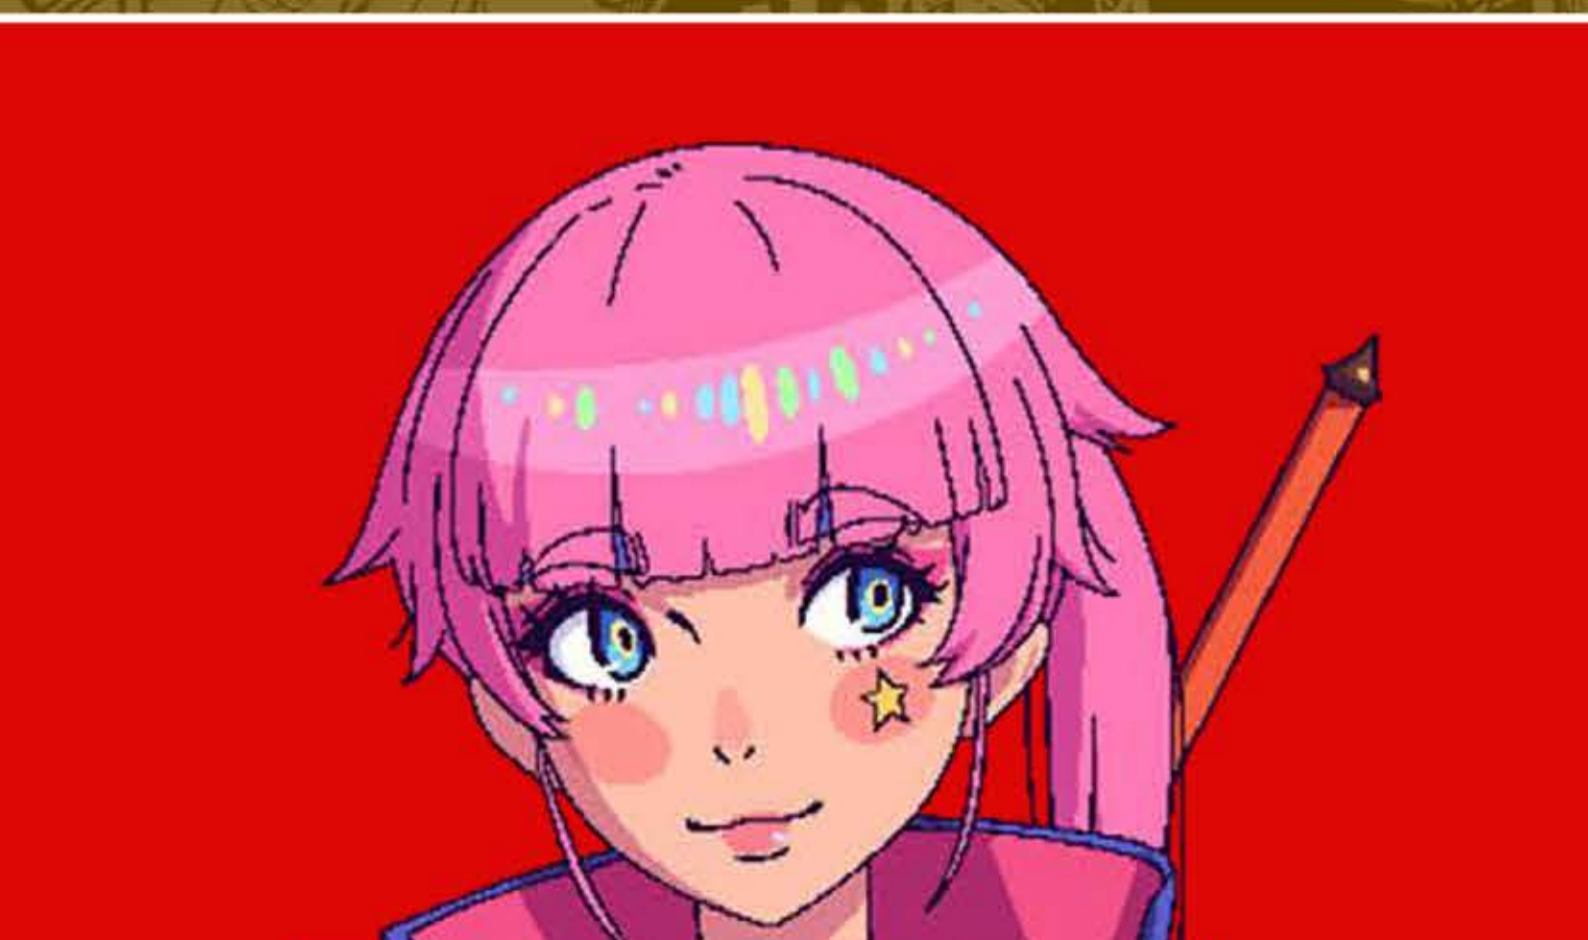

Being one of the first in her small town to move to the big city, Mei is destined to leave a lasting legacy. She often volunteers at animal rescue shelters and hikes with her dog. Her fierce loyalty and strategic mind make her the back bone of the group.

SHIORI

📅 17.01

Don't be fooled by Shiori's quiet appearance. Underneath, she carries worlds of imaginative stories—that even hold her 3rd grade students' attention span. She balances her friends' bold personalities, keeping the mout of trouble.

DEMI

📅 19.04

Demi is the fearless leader of the group who is always ready to say "yes" to any adventure. She explores new cities by day and roams fantasy RPGs by night. Her friends joke that she's always on her phone but doesn't text back.
