

Happy Meal

# Create your own Halloween paper chains!

- 1 Ask an adult to use scissors to cut out the square and through the middle.
- 2 Now fold the paper on the solid lines.
- 3 Next, ask an adult to cut around the pumpkin and then the bat.
- 4 Make sure you don't cut around the side which connects to the others.
- 5 Unfold the two pieces of paper to see your two paper chains.
- 6 Put up your scary Halloween chains and spook your family!

Adult supervision required
