# Spooky Bats

- 1 Ask an adult to use scissors to cut along the dotted lines.
- 2 Fold along the straight, solid lines between all of the boxes.
- 3 With an adult present, use a glue stick to stick the tabs to the box and assemble it.
- 4 Ask an adult to cut out the bat's wings, making sure to fold along the straight lines on these too. Use a glue stick to stick these on boxes on either side of the bat's face.
